

## INSTITUTE OF MARIOLOGY

Aikiya Annai Institute of Mariology is run by the Order of Friar Servants of Mary in India. It is affiliated to Pontifical Theological Faculty of "Marianum", Rome.

Following the same syllabus of "Marianum", Aikiya Annai Institute of Mariology offers two years of diploma course in Mariology with two weeks of summer classes each year. Boarding and lodging are also provided for the participants.

This course seeks to reflect on Mary, the archetype of the church. The role of Mary in the salvation history will be exposed. It will also study the important Marian dogmas and other important Mariological issues such as Marian devotions and apparitions.

The scope is to prepare future priests, lay people as well as consecrated men and women to acquire sound knowledge in Mariology in order to minister successfully in formation and pastoral areas. The professors who teach are well qualified in Mariology.

It is a rare opportunity for all those who are interested to have academic knowledge about Mary and to get certificate from Pontifical Faculty in Rome.

Pope Paul VI said; "If we want to be Christians we should be Marian" (address at the Shrine of Our Lady of Bonaria, Cagliari (Italy), 24 April 1970).

**LETTER FROM THE CONGREGATION FOR CATHOLIC  
EDUCATION  
VATICAN CITY, 25 MARCH 1988  
THE VIRGIN MARY IN INTELLECTUAL  
AND SPIRITUAL FORMATION**

Considering the importance of the Virgin in the history of salvation and in the life of the people of God, and after promptings of Vatican Council II and of the Popes, it would be unthinkable that the teaching of Mariology be obscured today: it is necessary, therefore, that it be given its just place in seminaries and theological faculties.

There are numerous advantages to be derived from an adequate Mariological formation in which the ardor of faith and the commitment to study are harmoniously composed:

on the *intellectual level*, so that the truth about God, about Man, about Christ and about the Church are understood the more in understanding the "truth about Mary";

on the *spiritual level*, so that such information will help a Christian to welcome the Mother of Jesus and "bring her into everything that makes up his inner life" [*Redemptoris Mater*, 45];

on the *pastoral level*, so that the Mother of the Lord may be strongly felt as a presence of grace among the Christian people.
